Subject: [External] Deny the Atlantic Coast Pipeline permit

CAUTION: External email. Do not click links or open attachments unless verified. Send all suspicious email as an attachment to report.spam@nc.gov.

Dear Governor Cooper,

Please deny the Atlantic Coast Pipeline's permit. We don't need any more dirty energy projects in NC. Like everyone else on Earth, we need to accelerate our transition to renewable energy. The pipeline would lock us in to decades more fracking and burning of carbon-based fuel. Just say no.

Perrin de Jong
